

SANDCASTLE MAGIC

Lyrics

ADVENTURE

Verse 1

Wake up, wake up
We're going on an adventure
We're going to fly on a rocket ship, headed to the moon
We'll bring our boots
And our helmets and our space suits
We're going to fly on a rocket ship headed to the moon

Chorus

And what will we see, out in the free
O way out there
I never know what, and we always have fun
Laughing all the way
And everyday, it's a different place
O way out there
I never know where, but we always get there
Laughing all the way

Verse 2

Let's go, let's go
We're going on an adventure
We're going to sail on a mighty ship, headed to the Sea
We'll bring a map
And a flashlight and a compass
We're going to sail on a mighty ship, headed to the Sea

Chorus

Verse 3

Come on, come on
We're going on an adventure
We're going to climb up a mountainside, headed to the sky
We'll take a backpack
With a flag and a bottle of water
We're going to climb up a mountainside, headed to the sky

Chorus

SAND CASTLE MAGIC

Verse 1

Sitting here under sunshine and blue skies
It's an awesome land
When we're in the sand
Other noises fade away, feels like we've all-the-time in-the-day
Everything is grand
When we're in the sand

Chorus

Sand castle magic
Ooh, there's nothing like it
I love the feeling
Aaah, sand everywhere
When we are building
Mmmm, something amazing
Sand castle magic

Verse 2

Shovels, pails, digger dump trucks, and large cranes
It's a perfect ten
When we dig in
Extra dirt compacter, and of course bull-dozer, steam-roller
Carefree engineering
When we dig in

Chorus

Bridge

Build, build, we're building
A sand, sand, sand castle
Big, strong, it will be
The best sand castle in the whole wide world

PLAYGROUND

Verse 1

When I'm at the playground, I love to fly
Pretend I am a bird and fly really high
When you push me on the swing, I can go higher than the trees
Come on to the playground, come along with me

Chorus

Play, play, play
Play, play, play
When we're at the playground
We can have
So much fun
When we're at the playground

Verse 2

When I'm at the playground, I love to climb
Climb up the ladder, and slide down the slide
We'll go up and down and up and down, ya' you and me
Come on to the playground, it's the best place to be

Chorus

Verse 3

When I'm at the playground, I love to sway
Sway along the monkey bars, sway all day
We'll go back and forth and back forth like a chimpanzee
Come on to the playground, come along with me

Chorus

Verse 4

When I'm at the playground, I love to run
Run around in circles all day in the sun
We can jump and jive how we like, out here in the free
Come on to the playground, it's the best place to be

Chorus

ZOOM, ZOOM, ZOOM!

Verse 1

Sitting on my tricycle, I'm getting myself ready!
Helmet on and here I go, take a breath, steady, steady!

Chorus

Safe and sound, my fingers on the handles
Two feet down, my toes upon the pedals
Round and round, push down upon the metal
Zoom, zoom, zoom, zoom, zoom, zoom, zoom – on my tricycle!

Verse 2

Moving down the wide ol' street, it's a blur what's passing by me!
Point the way and watch my feet, they're dizzy, spinning, spinning!

Chorus

Bridge

Zoom, zoom, zoom (Watch me go)!
See me fly (On this ride)!
Zoom, zoom, zoom (Oh-oh-oh)!
No surprise (Whizzing by)!
Zoom, zoom, zoom, zoom, zoom, zoom, zoom – on my tricycle!

Verse 3

Ring the bell, I'm in control, this ride is just beginning!
Shout out loud, and see me soar, I'm smiling, grinning, grinning!

PICNIC IN MAY

Verse 1

Sunday afternoon
The sun is shining brightly
It's a picture-perfect day for a picnic in May
Bring 'long the house cat
Don't want him to be lonely
It's a picture-perfect day for a picnic in May

Chorus

Peanut butter, jelly, sandwiches with cream cheese
Apple pie and cold drinks too
Watermelon, cherries, and, of course, blueberries
It's always so much fun with you
We'll play around, roll on the grassy ground
While the sun is high, while we have the time
While we're feeling fine

Verse 2

Blue sky's all we see
The breeze is gently teasing
It's a picture-perfect day for a picnic in May
Bring out the blanket
Don't forget the sunscreen
It's a picture-perfect day for a picnic in May

Chorus

Verse 3

Stretch long in the grass
Reach out and touch the flowers
It's a picture-perfect day for a picnic in May
Look high in the sky
The clouds are rolling slowly
It's a picture-perfect day for a picnic in May

Chorus

BUSY BEE

Verse 1

If you were a flower
I would be a bee
We'd spend the days together, baby, you and me
If you were a robin
I would be the breeze
We'd fly about together, baby, you and me

Chorus

Every single day
I love it when we play
You keep my life exciting!
Every move you make, every breath you take
You are wonderful
You are so wonderful
You are so wonderful to me!

Verse 2

If you were a fishy
I would be the sea
We'd splash all day together, baby, you and me
If you were a squirrel
I would be a tree
We'd hide and seek together, baby, you and me

Chorus

Bridge

You could be the shade or a stormy rain
You could be a sparkle or tidal wave
You could be a burr or a hurricane
I would be here for you, come what may

Chorus

L-O-V-E

Verse 1

You put the spring in my step
The sweet in my tea
You define my L-O-V-E
You're the green in my grass
The bloom in my tree
Where you are is where I want to be

Chorus

You put the sunny in my sun
You fill me with happy
You put the funny in my fun
You bring my lips to a smile
You make all the days seem brighter
And lighter and better
You're my L-O-V-E

Verse 2

You put the bounce in my ball
The sway in my swing
With you, I feel I can do anything
You're the stars in my night
The shine in my ring
You make me feel lots of good things

Chorus

Bridge

L-O-V-E (That's what, that's what you are to me)
T-R-U-E (That's true, always forever)
A-L-O-T (That's how much love there is in me)
For you, Y-O-U, my L-O-V-E!

Chorus

BUBBLES

Verse 1

Sun rose early this morning in a blue sky
New day beginning full of surprises
What will I see and do, what will I find
And there's one thing for certain on my mind

Chorus 1

I want to blow bubbles
Chase them as they float away
Look for rainbows inside 'em
Clap my hands and shout hooray
Count them very quickly
Catch them if I'm lucky
Best of all see the bubbles pop: pop, pop, pop for me!

Chorus 2

Pop! Pop! Pop-pop-pop!
Can't wait to see the bubbles go
To the left, and to the right
Way up high and way down low
Pop! Pop! Pop-pop-pop!
Can't wait to see them all float by
Over here and over there
Pop, pop in the sky!

WANDERING

Chorus

Wandering x4

Verse 1

My eyes are wandering here and there
My eyes are wandering without a care
Find the birds high in the tree
Flap their wings so beautifully
Hear them sing a song for you and me

Chorus

Verse 2

My feet are wandering here and there
My feet are wandering without a care
Walk along the sandy beach
Touch the waves near out of reach
Feel them crashing to the ocean beat

Chorus

Verse 3

My mind is wandering here and there
My mind is wandering without a care
Take a journey to the sea
Dream a star is twinkling
Make a wish and then you set it free

Bridge

I think upon an apple seed
Deep within is an apple tree
Stretching high, rooted deep, just like me, just like me, just like
me

MONA LISA

Chorus

What do I feel? What do I see?
What would I like to paint?
For my gallery?

Verse 1

Ooh I'm going to paint a golden lion
Ooh in a jungle by a tree
Ooh, high above him, something soaring
It's an eagle flying free

Chorus

Verse 2

Ooh I'm going to paint a purple dragon
Ooh on a castle made of stone
Ooh, all around, a hundred soldiers
But the dragon stands alone

Chorus

Verse 3

Ooh, I'm going to paint a sunny island
Ooh, all surrounded by the sea
Ooh, and in the shade under a palm tree
See my funny family

Bridge

What about you? What'll you do?
What do you see?
What do you think? What'll you paint?
For your gallery?

Verse 4

Ooh, you could paint a Mona Lisa
Ooh, you could paint a starry night
Ooh, you could paint the world in rainbow
Painting to your heart's delight

WRINKLY HANDS

Verse 1

Wrinkly hands, they tell me that they love me
They wave hello and smile at my sight
Wrinkly hands, they say that I'm so lovely
Sweet and good, and what's the word? A pure delight

Chorus

Oh, oh, oh, oh, how I love my wrinkly fingers
Oh, oh, oh, oh, how I love my wrinkly palms
Oh, oh, oh, oh, how I love their wrinkly owners
And I just want to sing out this song!

Verse 2

Wrinkly hands, they show me how they're caring
They always hold me tight to cross the road
Wrinkly hands, they're really good at sharing
Life and laughs, things like that, oh goodness knows!

Chorus

Verse 3

Wrinkly hands, they're really good at helping
Especially when I've seem to've fallen down
Wrinkly hands, they always look so happy
When I'm near, it's very clear, they are so proud

Bridge

Grandmas and Grandpas, I love you
Grandmas and Grandpas, I really, really do
Grandmas and Grandpas, do you understand?
My heart is tethered to your wrinkly weathered hands!
Wrinkly weathered hands

Chorus

Verse 4

Wrinkly hands, I'll tell you that I love you
Can you hear my heartbeat when I say
Wrinkly hands, I will be thinking of you
No matter if you're near or far
No matter where you are, my wrinkly hands

MMM, TASTY!

Verse 1

Mommy's calling me to the kitchen
It's a quarter to five
She said that help is needed in the kitchen
For dinner time
I know she's counting on me to help her
Make a tasty meal
I'll put my toy down, here I come now
Mommy, I'll be right there!

Chorus

Mmmm! Dinner's going to be so tasty!
Mmmm! I'm helping tonight!
Mmmm! Dinner's going to be amazing!
Mmmm! Can't wait to take a bite!

Verse 2

Roll my sleeves up, wash my hands
I'm ready to go
What's on the menu? Lots of veggies
Spaghetti and dinner rolls
Put it together, lay the sauce on
'Til it looks so nice
Have a nibble, just to make sure
That it tastes just right!

Chorus

Verse 3

Looks delicious and so yummy
With meatballs on top
So inviting, just want to dig in
Eat it all up
All is ready, Mommy tells me
Shout it to the world
Here I go now, to tell the family
Dinner's ready to go!

COZY OLD NOOK

Verse 1

There are so many things that I love in my day
Jumping ranks high but books take the cake
From train rides and star lights and trips to the zoo
Each book is magic, surprise, peek-a-boo

Chorus

One when I rise and shine
Two more at breakfast time
Three after play outside
Four before lunch!

Verse 2

So curled up in an armchair by my window sill
By a tree with some shade, or a spot on a hill
Where ever it is, my cozy old nook
I am so happy when I've got a book

Chorus

One when I rise and shine
Two more at breakfast time
Three after play outside
Four before lunch!
Five when it's time for nap
Six when I wake for snack
Seven more after that
Eight before dark

Verse 3

Now dinner is over, bathtime was a splash
I'm in my pajamas and ready for rest
Before all the lights go out, I've one request:
Please read me some stories, that's all I ask.

Chorus

Last ½ Chorus

Just one or two or three
To help me fall asleep
Good night and sweet dreams
Now time for bed

I'VE GOT YOU

Verse 1

When days are down, when skies are grey
When it looks like rain and clouds all day
We'll get our boots, we'll splash around
In all the puddles on the soggy ground

Chorus

I've got you!
You've got me!
We've got each other
And we're better together

Verse 2

In the dark outside, if you're afraid
I'll hold your hand, say it's okay
We'll play pretend, and we'll be brave
Explorers in a dark bear cave

Chorus

Verse 3

When the hour's bright out in the sun
We'll ride the light, have twice the fun
We'll plant a garden, scatter lots of seeds
Carrots and beans and brocolli

Chorus

Bridge

Oh they'll be times when I shout "No", and you say, "Yes!"
And they'll be times when we don't share our toys or best
But these dark nights'll fade and out will come the sun
To bring us back to where we're having lots of fun

Chorus

WE ARE A FAMILY

Verse 1

This is a new day, are you ready to stretch your legs?
Come on and jump n' play, this is a new day!

Chorus

Everyday, I know you say, "We, we are a fam'ly
No matter what, you love me a lot, we, we make it happy
We are there for one another, now, now and forever
We are a fam'ly, we are a fam'ly."

Verse 2

This is a sweet song, are you ready to sing along?
Come on and sing it strong, this is a sweet song!

Verse 3

This is a good time, are you ready to shine your light?
Come on and smile bright, this is a good time!
